

Dears Parents and students,

We have exciting news coming in the New Year! After a lot of discussion and restructuring, we have completed and will institute what we believe will be a tremendous improvement in our students and parents overall experience. Ultimately we want your satisfaction so anytime there is something that we feel will help the school grow and prosper, we have your best interests in mind. We appreciate your support through these changes. Listed below are some highlights of the changes you will be expecting to see in the New Year:

1. New Logo and school name
2. Competition team & class
3. New Student Cultivating Exceptional Attitude (CEA) Booklet
4. New BBC and Leadership Programs
5. New uniforms for students who participate in different programs
6. New Black Belt Test Booklet
7. Curriculum additions
8. Parent/Teacher Conferences after each student's belt test by appointment
9. Change in schedule
10. Integrating Sparring in regular classes for orange belts and above
11. New Weapons training for Black Belts
12. Private Lesson Packages
13. New Tip System

The process of these changes has been in the works since the beginning of the year and we are excited to finally implement these for the New Year. As you know, this school has a proud tradition and history like no other in the country. We are looking to take the next step in evolving as a place for the community to grow and learn together. Our doors are always open for any questions or concerns you may have.

Master Edward will be setting up appointments with each individual student or parent to go over in depth about these changes.

Have a Happy Holiday and Happy New Year!

Thank you,

Grandmaster Y.H. Park
